Dear New Neighbor:

WELCOME!

We want to take this opportunity to welcome you to Haverford Township. We are glad you've chosen to make our community your new home!

Seniors, adults and children of all ages enjoy everything our community has to offer, from schools to shops, from parks to fun-filled Township events. You name it, we have it!

We encourage communication and involvement and want to provide you as much information as early as possible. Please feel comfortable emailing or calling your elected officials and various township departments with questions. We want you to become actively involved in our community.

As a Township of the First Class, the municipality operates under a board of commissioners divided into wards, with day-to-day staff operations under the guidelines of a Township Manager.

To help you settle in, we've gathered important contact information and material to get you acquainted with us. Another valuable information resource is the Township website, www.havtwp.org/Resoures.html. Take a moment to "Like" us on Facebook for updates about Township happenings and look for the Commissioner's Newsletter-Winter, Spring/Summer and Fall editions mailed to your home.

Again, welcome to Haverford Township!

Haverford Township Emergency Notifications

We encourage all residents to sign up for the DELCO ALERT system to be notified in the event of emergencies in the community and snow updates from the Township and Office of Emergency Management. The system also has other notifications you may opt into for up to date information on weather, health issues, transportation, transit, etc.

Delco Alert Delaware County Emergency Notification System

If we experience any storm or event that would interrupt township services, we would be broadcasting updates from this system. In an extreme emergency of a declared snow emergency, we do have the capability to notify all homeowners.

To sign up please follow the link provided: [Emergency Notifications](#)
