**Addendum No. 1
April 11, 2022**

The purpose of this addendum is to correct a typo in the Request for Proposals and to clarify the due date for submissions.

Section 6 of the RFP states that sealed submissions must be delivered by end of business (4:00 PM) on Wednesday, April 30, 2022. Because April 30, 2022 falls on a Saturday (a non-business day), submissions should be delivered no later than 4:00 PM on April 29, 2022.
