

## Haverford EAC:

EAC advises the Board of Commissioners on environment issues & serves as a resource for ecology, environment and pollution problems for township residents. EAC partners with others to achieve this mission.

HAVERFORD TOWNSHIP  
CIVIC COUNCIL

*Haverford in Bloom*

The Haverford Township Civic Council (HTCC) is a 501c3 non-profit organization committed to improving life in Haverford Township. HTCC's Haverford in Bloom (HiB) works to beautify Haverford and will help identify public spaces where Rain Gardens can meet that goal. HTCC/HiB manages charitable and sponsorship contributions to Hav-a-Rain Garden program.

## Purpose and Goals

Purpose of a rain garden:

- ❖ Manage stormwater runoff
- ❖ Reduce flooding
- ❖ Improve habitat
- ❖ Reduce erosion and pollution
- ❖ Beautify parks and properties

Our goal is to make rain gardens and other “Green Stormwater Infrastructure” (GSI) the “new normal” by partnering with sponsors, residents and non-profits to build model gardens and major demonstration projects. Our Rain Garden Resource Team can help advise or build public, private residential and commercial rain gardens.

### **For More Info, to Volunteer or Request a Rain Garden Assessment**

[havaraingarden@gmail.com](mailto:havaraingarden@gmail.com)

## “Adopt a Rain Garden”

Seed grant money from National Fish and Wildlife Foundation (NFWF) got us started, but we need your help to create or facilitate new rain gardens in public spaces, commercial sites and at 10 private homes each year.

## Join Us in Making Rain Gardens and Improving Water Quality

Sponsors can help in the following ways:

- ❖ Pay for a Garden in a public area
- ❖ Build a Garden on your site
- ❖ Contribute Funds to be used by the Rain Garden Resource Team to support building public and residential gardens
- ❖ Maintain a rain garden in a park or public area

## **Sponsorship Levels**

Contribute directly or, with our advice and approval, build & pay for Rain Gardens at public or commercial locations.

### **Platinum - \$15,000+**

- ❖ Headline size name on web sites, mailers / e-mailers, posters
- ❖ Large sized name on Rain Garden Sign at sole sponsored locations, list on signs at add'l locations.
