9th Ward William F. Wechsler

Haverford Township is proud to introduce our electric vehicle charging station! The dual-port station is open to the public and located in the municipal lot adjacent to Veterans Park. The station is connected to the Chargepoint network and usage is being provided free of charge, courtesy of the Township, through September 30, 2019. If you are not already a member of the Chargepoint network, register at [www.chargepoint.com](http://www.chargepoint.com). Our Township parking ordinances will be in effect with fines for vehicles parking illegally in those designated spots. More painting/signage to follow, but the station is up and operational so if you are an electric vehicle owner (or maybe interested in becoming one), come out for a visit!

**A HOME RULE MUNICIPALITY**
