Penn State Brandywine

Tomezsko Building Auditorium

25 Yearsley Mill Road,

Media, PA 19063

<http://www.brandywine.psu.edu/Information/map.htm>

“Restoring Habitat, Landscape Structure and Health in our Watersheds”

Topics will include restoring biodiversity and habitat structure, landscape aesthetics, and stormwater runoff challenges and solutions in residential and institutional settings.

***Tom Brightman** is responsible for the care of over 700 acres of wetlands, meadows, forests and agricultural lands at Longwood. He speaks regularly to garden clubs, Longwood guests, and native landscape and horticultural groups, including the American Public Gardens Association; the New Directions in the American Landscape symposium; and the Copeland Native Plant Seminar series.*
