

FREE Backyard Buffers & Rain Barrel Making Workshop

"Simple Steps to Protect the Darby Creek at Home"

The Pennsylvania Resources Council, the Darby Creek Valley Association and the Eastern Delaware County Stormwater Collaborative present "Backyard Buffers & Rain Barrel Making;" a free, interactive presentation to inform residents on water conservation and storm water management practices to help protect the Darby Creek.

During the multimedia presentation, workshop attendees will learn about the problems associated with stormwater runoff, ways to conserve water in their homes, and watershed friendly landscaping techniques.

After the presentation, attendees will have the knowledge to construct fully functional rain barrels from recycled food grade barrels.
