David Hartke, Sue Cook, Kate Campbell, Jan Marie Rushforth, Peter Puglionesi, Brett McGovern and Terry Watkins at Earth Day events at C-REC 2013

The EAC Mission:

The EAC's role is to advise the Board of Commissioners and the Township Manager regarding environmental problems in Haverford, as well as to serve as a resource for township residents on ecology and pollution problems. The EAC also partners with other local bodies to provide educational opportunities on environmental matters.

Members are appointed by the Board and serve two-year terms. All current member terms expire in 2014.

The EAC meetings are open to the public. Meetings are held the second Thursday of (most) every month at 7:30 p.m. in the back room of the Quatrani Building located at 2325 Darby Road, Havertown. Residents may also send comments and concerns to the EAC.

[Environmental Advisory Committee- Citizen's Request](#)

Residents are encouraged to participate in EAC's work and to submit ideas on improving the quality of our environment.
