

# Free Rain Barrel Workshop

**Receive a free recycled barrel and fittings and learn how to build a rain barrel to manage storm water on your property!**

## **Rain Barrels:**

- **Reduce Water Pollution**
- **Reduce Local Flooding**
- **Provide Free Garden Water**
- **Save you Money**

Attendees will learn about the problems associated with stormwater runoff, ways to conserve water in their homes, and watershed friendly landscaping techniques. The workshop will also cover the basics of how to construct, install and maintain a rain barrel. After the workshop, participants will be provided with a recycled barrel and fittings to install a rain barrel on their property.
