Green fun for the whole family!

- Music provided by the Basement Apes
- Test drive Chevy VOLT and BOLT EVs courtesy of Armen Chevrolet
- Get excited about bats with Riverbend Environmental Education Center
- Make yourself a smoothie on Greener Partners' bike-powered blender
- Meet Smokey Bear and learn about forest fire safety with the PA Bureau of Forestry
- Find out how easy it is to switch to 100% clean fossil-fuel free electricity suppliers to reduce your carbon footprint
- See how many birds you can identify at the CREC bird blind, and earn a free child's t-shirt
- Learn about composting, recycling, pollinator gardening, AND MORE!

Schedule of Events:

8:30-9:30a - Mason Bee House Building workshop @ CREC Environmental Lab (\$25 materials fee) **

9:15a - Pollinator garden planting behind CREC

9:30a-11:30a - Bat House Building

9:45-11:15a - Bluebird Workshop @ CREC multi-purpose room (optional \$10 nest box building at the end) **

10:00a - Tree planting @ CREC parking lot with Peter Hickman

10:15a - Pollinator garden planting behind CREC

11:00a - Tree planting @ CREC parking lot with Peter Hickman

** pre-register on township recreation website
