LITTLE EXPLORERS

September 9, 2019 – May 22, 2020

9:00am – 12:30pm (includes lunch time)

We provide a warm and inviting atmosphere where children can be curious, active, and creative. Our beautiful outdoor play area is an ideal setting to play and build muscles while exploring the trails, meadow, and natural play area.

**** Children must be potty trained ****

ABOUT LITTLE EXPLORERS

Little Explorers is designed to allow children to play, explore and experiment in a safe and nurturing environment. We use play and creative activities to help children develop social awareness and self control.

Our daily routine consists of playing, exploring, building relationships (with peers and adults), and having fun. Your child will be encouraged to make decisions on how to spend their free choice time inside our classroom. We will help guide the children through learning how to treat the many materials in our room, how to play cooperatively with the other children, and how to be responsible for maintaining our classroom environment.

The day will consist of:

- Inside play and activities
- Circle time
- Snack
- Reading and sharing stories
- Specials (art, science, gym, music)
- Lunch (provided by the parent)
- Outside Play
