**Lindsey Smith – 221 E. Hathaway Lane (see attachment)**

**END OF REGISTERED SPEAKERS**

**Continuation:**

**Chris Connell – 519 Kenmore Road – He and his wife support the project. The board needs to be transparent with much resident input.**

**Scott Lein – 431 Sagamore Road – there is a BID request already on PaBid for \$6,000,000 and he is questioning the township. He also spoke on asbestos remediation.**

**Will Belscher – 536 Kathmere Road – he is having a petition signed by residents to not demolish a 105-year old building.**

**Tucker Dunn – 1015 Earlington Road – need for transparency, traffic patterns, keep as a school zone. He is suggesting the new construction fit into the time period it was built.**

**Dave McElwan – 412 Kenmore Road – It is a beautiful building. Cost is the key. He likes the concept of a new library.**

**Stacey Dean – 538 Sagamore Road – she supports that the township stepped in to acquire the property and not commercial entities.**

**Comments from the Board of Commissioners:**

**Commissioner Lewis – No decision has been made as to what is going at this location. The end use is for public benefit only. There will always be transparency and the board will continue to solicit your comments. He knows of no BID posted from the township or the school district.**

**Commissioner McGarrity – is in agreement that the building should not be demolished and will be voting no. He is still waiting for the school district to increase the Crossing Guards salaries.**

**Dave Pennoni, Pennoni Associates, Township Engineer – Mr. Pennoni has been in the building numerous times. The building was built in 1913 and is situated on 1.7 acres. In 2010, the district had a schematic design made and the cost to renovate was \$7,000,000. The cost today without changing walls is \$8.9 million. Asbestos removal is always done prior to demolition.**

**Commissioner Siegel – As chair of both the Commissioners Property Review Committee and School District representative, we will follow the same process we did in having the new Administration/Police Department built. During the course of a year, the township has formed a cordial and professional relationship with the district. The Board will keep the site as a public asset.**

**Commissioner Oliva – No plans have been made as to what is going at the site.**

**Commissioner Hart – We are committed to preserve some open space. We are not committed to the library. There is a lot to consider.**

**Commissioner McCloskey – As a parent, he knows about day care and early education needs for children when both parents work. The township needs to revisit our Zoning code – Residential, Commercial and INS.**

**Commissioner Wechsler – this site is all of ours and the school district realized this. Our tax dollars paid for the Brookline School.**

**Commissioner D’Emilio – he appreciates both the township and districts efforts.**

**Ward 8     Tabled**

**24. Continuation of Citizen's Forum for Non-Agenda Items**

No one spoke.

**25. New business**

Tim Denny indicated that the CREC sponsored the 7<sup>th</sup> Annual Western Trails Summit. This summit brought together surrounding area municipalities. This was a very successful day!

**26. Other business**

**Steve D'Emilio – 1<sup>st</sup> Ward Commissioner**

Commissioner D'Emilio will be hosting his 1<sup>st</sup> Ward Constituent Meeting. New State Representative Mike Zabel will be present. Topics: West Gate Trails, Minor Land Development and an update on Rt 3 and 476.

**Mario Oliva – 2<sup>nd</sup> Ward Commissioner**

Commissioner Oliva thanked the school district for the property. It may be a new library or just open space.

**Kevin McCloskey, Esquire – 3<sup>rd</sup> Ward Commissioner**

Commissioner McCloskey, together with Commissioners Siegel and Lewis will be holding an Ardmore Avenue Bridge closure meeting with PaDot and contractors on February 20<sup>th</sup>. Police representatives will also be present to discuss detours.

Commissioner McCloskey did state that the current tenants in the Brookline School must vacate the end of June. There are not enough early childhood education facilities in the township for these children. We have many economic development opportunities to look at.

**Dan Siegel, Esquire – 4<sup>th</sup> Ward Commissioner**

Commissioner Siegel, together with Commissioners McCloskey and Hart will hold their constituent meeting on March 20<sup>th</sup>, 7 p.m. in this building.

Commissioner Siegel is receiving calls on potholes. The majority of the roads involved are State Roads. Residents need to contact PaDot.

A No Turn on Red signal was placed on all four corners at Eagle & Hillcrest. Chief Viola indicated this was needed due to a pedestrian being struck.

**Jim McGarrity, 7<sup>th</sup> Ward Commissioner**

Commissioner McGarrity thanked all the officers that came tonight to support a new hire police officer, sergeant and lieutenant promotions.

He also thanked Chris Connell on his open space comments.

**Gerry Hart, 8<sup>th</sup> Ward Commissioner**

Commissioner Hart also thanked the school district. He hopes to preserve the park area. The library has contacted an architect.

At the March 20<sup>th</sup> constituent meeting, the upcoming Spring Manoa Road Bridge reconstruction will be discussed. Karakung Drive will not be closed on Sundays for recreational use.

**William F. Wechsler – 9<sup>th</sup> Ward Commissioner**

Congratulations to the Police Department tonight.

He, too, thanked the school district. This is an economic development opportunity. Zoning, indeed, needs to be revisited.

**Larry Holmes, Esquire – 6<sup>th</sup> Ward Commissioner**

Commissioner Holmes announced that he just received notice that there will be a two-hour school delay tomorrow.

He wished his daughter, Annie a very Happy 18<sup>th</sup> Birthday.

This Thursday is Valentine's Day for many people except for 17 people that were shot and killed last year in the Parkland Shooting. The NRA needs to be stopped and changes need to be made in this country's obsession with guns and violence.

**Andy Lewis – 5<sup>th</sup> Ward Commissioner**

**Commissioner Lewis announced that we will be having a pre-construction meeting with PaDot and the new contractor on the upcoming Ardmore Avenue Bridge reconstruction.**

**He did receive good news: Reps from the major utilities and PaDot will keep Ardmore Avenue open until mid-June, then it will be closed to traffic. The bridge is to reopen in 2020.**

**Disappointing news: PaDot will not be upgrading the Ardmore Avenue and Haverford Road intersection and no traffic adaptive signals.**

**27. All Commissioners agreed to adjourn.**

*Attorney J.*

February 11, 2019

Good evening and thank you for the opportunity to address the Haverford Township Board of Commissioners. I speak tonight on behalf of many Haverford Township families who have been affected by the pending closure of the Brookline School and FSS/Elwyn preschool and elementary programs housed in that building, along with other parents and interested members of the community who recognize the value of quality early childhood education opportunities.

First, we want to thank you. We appreciate the Township's efforts in working with our parent group, the School Board, the YMCA, and other community and private organizations to provide summer camp, and locations for kindergarten enrichment, before and after care, and as well as a new home for the programs that have been housed in the Brookline building. We acknowledge all of the behind-the-scenes work that has taken place over the past few weeks in searching for a resolution to this difficult issue. Your help, patience, and continued communication with concerned constituents is greatly appreciated.

After learning more about the Brookline building over the last few weeks, we would like to acknowledge that our parent group strongly supports the transfer of the Brookline School and believes this action is in the best interest of the Township, the school district, and the community at large. We look forward to working with the Township to explore and provide feedback about possible options for this space moving forward, as well as to support organizations in our community that wish to provide high quality early childhood educational opportunities.

We are aware that there are township zoning regulations in place that may hinder such organizations as FSS/Elwyn from finding the space needed to continue providing full-day secular preschool and kindergarten education programs that are important to many families in our community. It is our understanding that zoning regulations prohibit these programs from operating in facilities other than churches or other religious institutions. As we all know, institutional space is already at a premium in the township; at the same time, families are frustrated by the insufficient supply of high-quality full-day early learning and enrichment opportunities that meet the needs of working families--an important niche that is filled by FSS/Elwyn.

Our parent group strongly supports changes to the zoning regulations to enable more competitive options for current and future families with young children, a factor that we believe would benefit the long-term economic growth of Haverford Township. Furthermore, it appears that the township would benefit through additional tax revenue from commercial properties and for-profit organizations.

As a large group of parents and community members, we offer our assistance in any way possible to continue to expand opportunities for early childhood education in this township.

Thank you again for your help and support.

Sincerely,

Lindsey Smith
